SUMMARY

Electronics and Communication Engineering student with strong programming and problem-solving skills. Interested in software development and building scalable applications. Experienced in developing and debugging applications, with a good understanding of collaborative development environments and coding best practices.

TECHNICAL SKILLS

- Programming: C, Java, Python, JavaScript
- Web Technologies: HTML5, CSS3, React.js, Node.js, Express.js, REST API integration
- Core Concepts: Object-Oriented Programming, Data Structures & Algorithms
- Tools: Git, GitHub

TRAININGS / CERTIFICATIONS

- MongoDB Associate Developer
- AWS Certified Cloud Practitioner

PROJECTS

- **Movie Recommendation Web App | HTML, CSS, JavaScript, REST APIs** [link ↗](#) 
 - Developed a dynamic movie recommendation web application using external **REST APIs**
 - Implemented API integration to fetch and display real-time movie data
 - Designed interactive UI with dynamic content rendering using JavaScript
 - Improved application performance and responsiveness for better user experience
 - Managed source code and collaboration using Git and GitHub
- **Netflix – Clone | React, Firebase** [link ↗](#) 
 - Built a **Netflix-clone** using **React** for UI and **Firebase** for authentication.
 - Integrated **movie APIs** to fetch and display real-time content dynamically.
 - Designed a **responsive, interactive UI** for seamless user experience.
 - Managed **version control** with **Git** and **GitHub**.
- **Gen AI Job Preparation Web Application | MERN Stack** [link ↗](#) 
 - Developed a full-stack web application to help users prepare for job interviews using Generative AI features
 - Integrated AI-based tools for resume building, interview question generation, and feedback
 - Designed responsive and reusable UI components to enhance user experience across devices
 - Built and managed backend services using Node.js, Express.js, and MongoDB

ACHIEVEMENTS

- Participated in a **team-based hackathon**, collaborating under structured development timelines.
- Selected for **Regional Finale in NxP India**, demonstrating strong technical aptitude.

EDUCATION

K L University H Hyderabad, Telangana

B. Tech, Electronics and Communication, 2027

GPA: 9.33/10

SRI CHAITANYA JUNIOR COLLEGE Hyderabad, Telangana

Senior Secondary (XII), MPC, 2023

Percentage: 84.00%

Vivekananda High School Hyderabad, Telangana

Secondary (X), SSC, 2021

GPA: 10/10
